OLLY ROBINSON

I am a self-taught junior web developer looking for the opportunity to build beautiful, useful web products fit for the future. I pride myself on being a fast learner and having exceptional people skills. I am looking to learn about the ways web technology can be used to bring world-class design to life through practical, inovative products.

PERSONAL TIMELINE

Intern

PARALLAX DIGITAL AGENCY

April 2019 - May 2019

Dedicated time to futhering Javacript and PHP skills as well as learning how to use Sketch for web design.

Gave me an understanding of how digital agencies manage and deliver work.

Travelling

MEXICO & SOUTH AMERICA

September 2018 - Feburary 2019

Took the opportunity to visit an unfamiliar region of the world and dive into learning Spanish, meeting new people, navigating foreign public transit systems and teaching myself DSLR photography.

Event Executive

WORLD CYCLING REVIVAL FESTIVAL

July 2017 - June 2018

Assisted in the brand creation process from conception through to delivery using Adobe Creative Suite.

Managed the execution of a six-figure marketing campaign across digital, print and out of home media.

Ran the event site office during build, live and break period. Responsible for accreditation, radios, and local resident communications.

Events Intern

FLUFFER MUSIC PROMOTIONS

September 2016 - May 2017

Assisted the creation and delivery of live music events, such as the 2016 SXSW showcase in Austin, Texas.

Co-ordinated marketing campaigns for the Pit Parties series over print, out-of-home and digital media.
